4. Metacognitive Reflection & Peer Evaluation Rubric

Evaluation Criteria	Emerging (1 Pt)	Proficient (2 Pts)	Exemplary (3 Pts)
Thesis Precision	Vague or generic statement of topic without defensible stance.	Clear claim addressing prompt with basic supporting prongs.	Nuanced, compelling claim with sophisticated analytical depth!
Textual Evidence Depth	Quotes dropped without introductory framing or context.	Integrated quotes with accurate paragraph citations.	Seamlessly embedded evidence with insightful textual analysis!
Revision Polish	Surface-level spelling fixes; no structural redrafting.	Redrafted one paragraph addressing the rubric suggestion.	Transformative revision that noticeably elevates argumentative flow!

5. Academic Integrity & Student Honor Pledge

I proudly uphold scholarly integrity with this personal commitment:
[X] **Original Voice:** I used AI rubric feedback to guide my revision, but all final words, analysis, and arguments are authentically my own.
[X] **No Ghostwriting:** I did not ask the AI to rewrite my essay or generate paragraphs for me.
[X] **Privacy Protection:** I did not submit peers' personal information, grades, or private identifiers into external tools.
